WHAT THEY SAY ABOUT ME

DAVID BAULIES

AI/ML International Design Producer at Apple

"I had the pleasure of collaborating with Serena on a long-term writing project and can recommend her for her excellent skills in creative writing and translation. You can tell she has a passion for the work that we do. Very easy to collaborate with and always willing to find suitable solutions for the challenges we faced. Serena can write interesting, funny and sensible content while overcoming the limitations inherent to our systems or a particular design." (2024)

IZABELA IULIA POPESCU

Linguistic Expert at Wonderflow

"Serena is a person one can always count on: she is super well organized, her work is qualitative, and always within the deadlines. I appreciate her proactiveness and attention to details, as well as the open and constructive communication between us." (2021)

DIEGO CRESCERI

Founder and CEO at Creative Words

"We have been working with Serena for two years now in her capability of translator, post-editor and reviewer, and we could not be happier. She's precise, creative and has a great focus for details, which makes her a young yet highly professional language expert." (2020)
